
COURSE: WORKPLACE MENTAL HEALTH

COMPETENCY 2: COMMON CONDITIONS

An important part of increasing your mental health competency is being able to recognize common mental health conditions and help people to find the support they need. In Workplace Mental Health Competency 2: Common Conditions you will learn information that may be vital in helping people in your workplace who experience mental health disorders to find support in managing their symptoms. This course is an engaging part of the Workplace Mental Health Ally series and provides engaging learning based on current research and relevant articles while utilizing the most recent techniques in online learning. Completing the Workplace Mental Health Competency 2: Common Conditions course will take approximately 60-80 minutes of continuous learning time. *NOTE: We recommend completing Workplace Mental Health Competency 1 before taking any other Workplace Mental Health Ally Series courses.*

KEITA FRANKLIN, PHD, LCSW (COURSE AUTHOR)

CO-DIRECTOR, COLUMBIA LIGHTHOUSE PROJECT; CHIEF CLINICAL OFFICER; PSYCH HUB

Dr. Keita M. Franklin is the Co-Director of the Columbia Lighthouse Project and Psych Hub's Chief Clinical Officer. A nationally-recognized expert, Dr. Franklin ensures all clinical content is on the cutting edge of the intersection between healthcare and information technology. Key to Psych Hub's goal of revolutionizing how mental health care education and training are delivered, Dr. Franklin leads the esteemed Psych Hub clinical team, ensuring all Psych Hub products are evidence-based and trauma-informed.

With over 25 years of progressively responsible experience, Dr. Franklin is spearheading efforts to improve mental health literacy across the Nation by championing the development of specialized evidence-based training for providers thereby improving mental health care outcomes for at-risk population groups. A public health expert and transformational leader, Dr. Franklin has spent her career driving complex organizational change in the federal sector, always improving the systems that provide care for our Nation's military, family members, and veteran populations.

Before joining Psych Hub, Dr. Franklin served as a senior executive at both the Department of Veteran Affairs and the Department of Defense. In these roles, Dr. Franklin served as the principal advisor to Department leadership for all matters on suicide prevention, and she is widely credited with leading a transformative, enterprise-wide shift from a crisis intervention posture to an upstream, broad public policy approach focused on continuous surveillance and early prevention. Dr. Franklin was also responsible for leading a multi-disciplined team of experts in advancing evidence-based prevention practices for over 20 million Veterans and reaching our Nation's heroes wherever they live, work, thrive, and receive care. A poised and articulate communicator of strategic messaging, Dr. Franklin has been frequently asked to testify before committees in both the U.S. House of Representatives and the U.S. Senate and led numerous caucus roundtable discussions with members of Congress.

While serving as a senior executive within the Department of Defense, Dr. Franklin was responsible for suicide prevention policy, programs, and oversight. During her tenure, she conducted a first-of-its-kind, comprehensive program review and authored new DoD policy directives and instructions, optimizing higher headquarter guidance for all military service branches. She also chaired several DoD senior leader committees charged with developing solutions for vexing mental health issues impacting our service members and their families. Adept at building partnerships and coalitions, Dr. Franklin was singularly responsible for bolstering relationships with both the private and public sector in the advancement of key suicide prevention initiatives. An experienced manager of large programs, she proved critical during congressional-level advocacy for budget and programming activities while simultaneously directing a multi-million dollar

research and evaluation program. Her efforts resulted in high-quality service delivery for active duty, reserve, and National Guard members and their families.

Dr. Franklin is a licensed social worker with a specialization in children and families. She earned a Ph.D. in social work with specialized training and certifications from the Center for Advancement of Research Methods and Analysis (CARMA). Dr. Franklin began her career in child welfare and has dedicated much of her work to researching the impact of wartime trauma and post-traumatic stress on families. She serves on several national panels, including the National Action Alliance for Suicide Prevention. Dr. Franklin has received numerous federal and civilian awards for her efforts leading military, family, mental health, and suicide prevention programs. Dr. Franklin has published work in the areas of military social work, child abuse, domestic violence, suicide prevention, and substance misuse. She has served as an adjunct professor in the graduate programs at Virginia Commonwealth University and George Mason University. Dr. Franklin holds certificates from Harvard Kennedy School Executive Education on “Leading Large Organizational Change” and Women in Leadership” as well as the University of North Carolina Chapel Hill Kenan-Flagler Business School course on “Executive Leadership.”

EMILY ST/ AMANT, MA, LPC-MHSP (COURSE AUTHOR)

CLINICAL MANAGER, PSYCH HUB

Emily serves as the Clinical Manager at Psych Hub, helping to bridge the gap between research and academia to the practical real-life application of theory and therapeutic interventions. She assists the team throughout the content development process by reviewing and creating content to ensure it will resonate with her fellow clinicians and be beneficial to all audiences. Emily is a licensed professional counselor, mental health service provider. She completed her Master’s in Counseling with an emphasis in Mental Health at MidAmerica Nazarene University. She is a Tennessee counseling licensure board approved supervisor and has been designated as a mandatory pre-screening agent. Before joining Psych Hub, she gained many years of experience in the mental health and substance abuse treatment field, much of which was spent serving as a therapist to a diverse caseload in a community mental health setting. She also has experience in crisis counseling and assessment, intake evaluations for level of care placement, outpatient and inpatient treatment, and utilization review.
